

*South West Pony Association has joined forces with Steddy Neddys to raise awareness of mental health in the equine world and showcase what these animals do for us. Steddy Neddys is supporting SWPA to stand up to, and stamp out bullying as we all know the equine world can be a horrid place. We want to create a safe space where people can ask for help if they need it. Steddy Neddys can sign post people to the amazing professionals out there who can help. You can follow Steddy Neddys on Facebook and their website [www.downwestservices.co.uk](http://www.downwestservices.co.uk)*

*Please be Kind & Considerate to others*

# South West Pony Association
